Vivekananda School of Information Technology

**Seminar  
on  
Project Development and Software Testing  
by Alumni  
for MCA Students**

For the academic session, January - June 2018-19, a seminar on PROJECT DEVELOPMENT AND SOFTWARE TESTING was organized by Vivekananda School of Information Technology (VSIT) in VIPS.

Date: 27th March, 2018  
Time: 2:00 AM – 4:00 PM  
Course: MCA Students  
Resource Person: Ms. Priyanka Sharma (Sr. Software Tester)  
NIIT Technologies Ltd., New Delhi  
Organizing Team: Dr. Meenu Chopra & Ms. Cosmena Mahapatra

Agenda of Seminar:

Ms. Priyanka Sharma, Alumni MCA Batch 2013-2016, had gracefully agreed to address the current batch of MCA students on Project Development and Software Testing processes which are used in the IT industry as standard protocol. She also spoke on how the students can prepare for placements and guided them to focus on topics such as .NET, OOAD, ST and Quantitative Reasoning for their preparation. The session concluded with the students thanking their Alumni for taking time out from her busy schedule and providing them with valuable insights into the IT Industry.
