

Message from the Chairman's Desk

Dear Students and Parents,

Welcome to Vivekananda Institute of Professional Studies (VIPS), where learning is a way of life.

VIPS is a nursery for budding professionals and a cradle for intellectual development. Education at VIPS ensures that minds are more open, souls are more pure and filled with integrity and veracity.

VIPS truly practices and professes the philosophy of Swami Vivekananda – “Man Making, Nation Building and Character Building” as the basic foundation of every activity and process.

The process of learning needs to be steered with right direction hence students need to be developed under a code of conduct governed by values preached by Swami Vivekananda. The code of conduct would govern their general behaviour on campus and inside classrooms. Students would need to adhere to the laid down norms related to attendance, class behaviour, faculty interaction etc., failing which will attract disciplinary action. The code of conduct is to polish the personalities of students and bring in them a strong sense of commitment and dedication towards their own selves and all stakeholders of the society.

VIPS believes that every student is unique and has something to contribute to the society. The highly qualified, talented and dedicated faculty, nurtures talent of young minds by mentoring them, ensuring that they are industry ready professionals at the end of their education at VIPS.

The academic and intellectual inputs are catalysed through a state of the art world class infrastructure which has already been acknowledged in the Delhi NCR region as one of the best facilities available for education and learning. Besides the physical facilities we have a nationally awarded, technology based learning management system which ensures that our students are tech savvy to adopt all technological changes that they will face in their life and careers ahead.

With this focused approach we believe in providing the finest learning environment and making the best out of all students who become a part of VIPS family.

Wishing you all success in your life and career ahead!

Dr. S.C. Vats

Chairman, VIPS

Vision: To establish, maintain and promote excellent centres of education for imparting quality professional education comparable with the best in the world.

From The Principal Director (TC)'s Desk & Chairperson Academic Council VIPS

Dear Students,

At the outset I congratulate you for taking a right decision to join Vivekananda Institute of Professional Studies, a premier professional institute affiliated to Guru Gobind Singh Indraprastha University in Delhi. We whole heartedly welcome you here and hope and pray that the ensuing academic years turn out to be your best years in the life of each of you and for the Institution. To achieve this sense of fulfilment, all of us have to work together towards a common end that is, happiness and fulfilment of the aspirations and expectations of each of you at this Institution.

The first requirement for such a fulfilment is 'discipline'. The Patron Saint and the great soul after whom this Institution is named, Swami Vivekananda, has emphasized in his teachings and as repeatedly reiterated by his disciple that "Lack of Discipline undermines all other good qualities." All of us have many good qualities and talents but these qualities and talents can flourish and become useful for us, as well as for the society only if we have self discipline.

Therefore Discipline has to be one of the basic essential of an individual and of an institution. Let us adopt discipline as our core value for this academic year, so that our future remains hopeful and bright.

In order to guide you towards the path of self discipline which will lead you to success, fulfilment and happiness; we have in this booklet spelt out some fundamental and basic discipline in your conduct while you are at this Institution. The booklet also contains the basic teaching scheme of all programmes and examination rules which will be very useful for your studies in the institute.

I would entreat you to read them carefully and imbibe them in your day to day activities at this institution so that we, the management and the faculty will be proud of you and you will be proud that you have become a part of this premier Institution.

I therefore solicit your whole hearted compliance in observing the "Code of Conduct" as specified in this booklet.

I wish you success and happiness in your endeavour.

LET US ALL WORK TOGETHER TO BUILD A GREAT NATION.

JAI HIND.

To acquaint students with practical aspects of law, Clinical Law Centre undertakes the activities under the following three wings:

3. The formula for calculation of SGPA and CGPA is given below :

Where

C_i - number of credits for the i th course.

G_i - grade point obtained in the i th course.

C_{ni} - number of credit of the i th course of the n th semester. M_{ni} - marks of the i th course of the n th semester

G_{ni} - grade points of the i th course of the n th semester.

4. The successful candidates having an overall CGPA higher than or equal to the minimum CGPA specified in the Syllabi and Scheme of Teaching and Examination for the award of the degree shall be awarded the degree and shall be placed in Divisions as below:
