Webinar on SOFTWARE DEVELOPMENT LIFE CYCLE

Vivekananda Institute of Information Technology organized a Webinar on “SOFTWARE DEVELOPMENT LIFE CYCLE” on 5th February 2022. The guest speaker was **Ms. PREETI KHURANA** who is a Senior Engineering Manager at Expedia Group. The event was attended by 83 students and faculty members. The objective was to motivate and explain to the students how Software Development is important to every sector and the basics of Software Development like how can we start a career as a Developer.

Speaker started the webinar with an introduction to software development life cycle, phases and history. After that, she discussed the benefits of the framework, design, implementation, testing and deployment.

There was a Q&A section too in which students asked some doubts related to development and management tools etc.

The session ended with some wonderful feedback from **Ms Kanta Malik** and she also appreciated the speaker and the organizing team. Everyone loved this event and the event got many positive and overwhelming responses.
