AVISHKAAR

Project Competition 2020

On 20th November 2020 "AVISHKAAR" Project Competition 2020 was organized by VSIT (Vivekananda School of Information Technology) VIPS on an online platform ZOOM.AVISHKAAR, the project competition was organized to promote the new creative and innovative ideas ." Be an innovator, not an imitator". The basic ideology behind this was to promote unique ideas and give guidance for the startup & patent process.

The competition started at 11:30 am on 20th November 2020 on an online platform zoom, the judges present for the competition were Prof. Dr. Mamta Madan, Professor, VIPS, Dr. Pawan Whig Associate Professor, VIPS, Prof. Dr. Deepali Kamthania Professor, VIPS. A warm welcome of the judges, faculty members, participants and students was done. After that entries were called, they presented their projects. The first entry presented the project that was "NOTESPICKUP ".In this, the participant explained that they provide quality notes of 28 plus courses at free of cost, around 400 plus colleges notes and Cat study material. Also, they explained the whole working of the app and judges asked more about the functioning and suggested some new ideas to make it a more effective and useful app. The second entry presented the project on the Clinic Management Solution app. "Clinic Management Solution(CMS) consists of a set of two software applications to better manage and run your clinic. Demo applications can be downloaded via play store." The judges gave their suggestions and praised the participant. The third entry presented their project on COVID-19 Detection using Chest X-ray implemented by Transfer learning. The judges gave their suggestions and judgment was given based on the projects.

In the end, the competition was evaluated and the Dean, VSIT, Prof. Dr. Supriya Madan encouraged students with her words of wisdom. All the judges added to the creative and innovative ideas presented by the participants. It was an informative great competition and quite motivating for the budding innovators.
