

Vivekananda Institute of Professional Studies Vivekananda School of Information Technology

CSI Golden Jubilee Ideathon

Vivekananda Institute of professional studies, in collaboration with the Computer Society of India(Delhi Chapter), organized “IDEATHON” on 20th August 2020 on the occasion of “CSI Golden Jubilee”.

As we all know, the global pandemic has affected everyone’s life in one way or another. Now we realize the importance of a new approach towards life so that we can deal with the challenges in a better and smarter way. The motive of this IDEATHON was to bring out ideas from the young minds for improvising the new normal.

All the participants were provided with a wide range of SDG(sustainable development goals) themes to promote development that meets the needs of the present without compromising the ability of future generations to meet their own needs. 60+ team from all over the country registered for this event, out of which 10 best teams were selected. The event started at 2:00

PM when Mr. Raj Singh Niranjana(CSI chairperson), Judges, Faculty members of VSIT, and participants connected virtually on ZOOM to share creativity and interests.

Ms. Alpna Sharma inaugurated the event with her words of motivation. She welcomed all the dignitaries, judges, and participants to the E-event.

The chief guest of the event - Mr. Ashutosh Pankaj (Deputy General Manager, Tata Communications, Delhi) after working for two decades in the IT industry, shared his advice with the participants that the industry leaders search for entrepreneur attitude and enthusiasm in the young generation. He motivated the participants to go out of the way to challenge the status code, to invent and to implement.

The event was judged by Prof. (Dr.) Deepali Kamthania, Ms. Sonal Pahwa, and Mr. Sameer Kumar. After making participants familiar with the rules, code of conduct, and judging criteria, the group presentation's started. Each team was given 4 minutes to present their ideas, after which judges asked them questions as and when required.

Several teams introduced their concepts and shared their approach towards the new normal. Out of the box thinking and motivation to implement the ideas impressed judges the most.

Mr. Raj Singh Niranjana, Chairperson Computer Society of India(Delhi Chapter), Managing Partner, Trans India Law Associates concluded the event by thanking all the professors of VSIT. He conducted a short session with the students in which he asked various practical questions to give them the right path to follow.

He motivated all to see this time of pandemic as the most significant opportunity for creativity and as a boost to new talent. He showed his faith in the young minds of India that they will bring laurels to the country.

After the careful evaluation and curation of the participants, the honourable judges selected the winners. Inspired innovators from Sir M Visvesvaraya Institute of Technology Bangalore bagged the first position, BlisCare from GHRCE, Nagpur bagged the second position, and Zil Damania from NMIMS, Mumbai came third. Satyam Raj from Cambridge Institute of
